**At all stages there are many extremely impressive individual achievements.**

We have continued to build on our outstanding results. This year we have achieved some really outstanding outcomes which reflect a great deal of hard work by students and staff, continuing developments in Teaching and Learning. We strive to treat each child as an individual and to unlock their potential.

Our improvement agenda is based on setting extremely challenging targets (based on nationally agreed criteria) for the school and for individual students. This approach helps to assure that pupils at our school make substantially better progress than pupils who go to similar schools nationally.

### GCSE (9 – 1) Results (Percentages of cohort)

	2016	2017	2018
<b>Grade 4+ in English &amp; Maths</b>	N/A	88%	85%
<b>Grade 5+ in English &amp; Maths</b>	N/A	66%	67.0%
<b>Attainment 8 (overall)</b>	5.5	5.7	5.8
<b>Progress 8 (overall)</b>	0.26	0.52	0.56

Results continue to improve in all categories and be significantly better than national data.

When reading the list of statistics we should point out that we are a comprehensive school and that achievement of a grade '1' grade is just as important as obtaining an '9' if these grades are appropriate for the student.
