The Aims:

- Recognises pupils who shine brightly
- Celebrates aspects of achievement (including academic, extra-curricular and pastoral)
- Creates a positive learning ethos where all students are valued

The Principles:

- To provide half termly reward assemblies where students are recognised and celebrated for their achievements.
- To highlight key achievements that link to extra-curricular activities
- To use data in a systematic manner that consistently rewards positive behaviour.
- To have a robust quality assurance system that ensures students are rewarded consistently.
- To provide meaningful activities during form time that support a positive learning ethos
- To ensure students and parents are informed of successes within the school

The System:

Shining Brightly Assembly

Each half term there will be a 'Shining Brightly' Assembly to recognise and celebrate all aspects of students' achievements amongst individuals in Year 7. Each assembly will focus on the same key areas to ensure consistency and fairness across the year group such as: Attendance Awards, Achievement Point Awards, Tutor Awards, HOY Special Recognition Award for individual achievements etc.

Form Achievement

The 'Star Board' is a tutor group reward system. Forms will be set weekly challenges and rewarded with stars linked to how well they perform in each challenge. The tutor group with the most stars at the end of a half term will be rewarded with a 'form premierships day'. Stars will be awarded for punctuality, planners, uniform, highest category for achievement point challenges and contribution to form time activities etc.

End of Year Trip:

- At the end of the year students who have consistently demonstrated high levels of attitude and effort across all of their subjects based on their termly progress reviews will be rewarded with the opportunity to participate in an end of year reward trip in July.

The Quality Assurance:

- The HOY will implement a robust quality assurance system to monitor and track data, particularly E-achievement points and information from progress reviews to ensure that pupils are consistently recognised for 'Shining Brightly'.
- The HOY will ensure that the start of each assembly provides an opportunity to celebrate all areas of achievement.
- The HOY will quality check that meaningful activities are prepared and carried out during form time that will further support the positive learning ethos of the school.
