

Open Evening for New Parents and Children

Dear Parents / Carers

I would like to warmly invite you to the Rushcliffe School Open Evening on Thursday, 28th September 2017. The purpose of the evening is to give you and your child an opportunity to:

- Meet the Head Teacher and staff.
- Have a tour of the school **following sessions 1 and 2 only**.
- Receive information about the different subject areas.
- See what opportunities we can offer your child.
- Ask questions about the curriculum and pastoral systems.

To accommodate the number of parents and pupils who wish to see our school we have to organise the evening into three sessions:-

Session 1	commences	5.30 pm
Session 2	commences	6.15 pm
Session 3	commences	7.00 pm

The Open Evening concludes at 8.00 pm

Each session will begin with an introductory talk by Mr S Lewis, the Head Teacher, in A-Hall. This is situated in the block to the left of the Leisure Centre. Please be aware that the hall has limited capacity and that sessions 1 and 2 tend to be busier than the 3rd session. If you arrive after the session has started we will politely direct you towards 'Eatz' where you will be given the opportunity to join a Sixth Form prefect on a tour of the school until the next session starts.

After this talk you are invited to visit subject areas. It is advisable to allow at least an hour to look around and some of our Year 8 pupils will be on hand to give a guided tour of the school whilst answering any questions you may have.

We currently have major building works in progress on the school site which has reduced our parking capacity. Please take this into account when making travel arrangements for the evening. If you are intending to attend the final session, you are welcome to look around the school prior to the presentation and guides and maps will be available in the A Hall Foyer.

A link to our school prospectus and admissions policy can be found at www.rushcliffe.notts.sch.uk

Yours sincerely

Jonathan Dakers

Assistant Headteacher; Community
