

May 2017

Dear Parent/Carer

We are arranging for pupils to be placed on a collective passport for the Mathematics Trip to Paris. To enable us to do this, could you complete and return the Nationality questionnaire and photo card by Friday 19 May 2017. Please ensure that the photo card is handed in complete, with the photo glued onto the card and signature completed. Please ensure that your child's full name as appears on their birth certificate is written on the card, not abbreviated version. These should be handed into the School Office.

Also, your child will require a European Health Insurance Card (EHIC) card for the trip, so please could you apply for one at your local post office or online using this address:

<http://www.nhs.uk/NHSEngland/Healthcareabroad/EHIC/Pages/about-the-ehic.aspx>

There should be no charge for this if using the official NHS website but please be aware that other websites do charge for this service. The cards do not need to be brought into school until the Information Evening which will be held in the autumn term. The cards will be returned to you after the trip. To ensure that you will have the card by the Information Evening, the application will need to be made before the summer holidays.

If you have any queries regarding this, please do not hesitate to contact me by email (gmorris@rushcliffe.notts.sch.uk).

Yours sincerely

Mr G Morris
Mathematics Teacher
